Time Frame	Agenda Item (s) /Notes	Person (s) Responsible
<i>Time for discussion</i>	<i>(Agenda Item)</i>	<i>Who is leading discussion on item?</i>
7:30	<p>Channel/Comcast issues- Gary Baudino explained to the committee that ever since the construction took place there have been numerous problems with the reception in teachers' classrooms. Numerous people have been called pertaining to this issue and no one seems to want to take responsibility for the repairs.</p> <p>In order to get things back pre-construction Gary has asked to get a quote on how much it will cost to get the system back in working order. Right now the range could be anywhere from 3,000.00-4,000.00. There will be more info coming on the actual cost and when the repairs could possibly be made to get the reception consistent across the campus.</p>	
7:45	<p>Teachers versus volleyball A-team assembly- The committee voted to approve the assembly on Tuesday, November 23rd. More information will be coming out about the type of schedule and what teachers need to do to get their classes signed up for the event.</p>	
7:50	<p>EPSS and Data/Info- Mark Langner went</p>	

	<p>over the SBA data from previous years and explained the trends that have occurred over time here at Madison. Current data was also covered and targets for safe harbor within sub groups, along with how we can make AYP here at Madison.</p> <p>Another issue discussed was how can we make improve RACE? The students here at Madison are still having trouble with open ended questions and only getting 50% of them correct on the SBA. These issues will continue to be topics for discussion in order to help improve students test scores on the SBA.</p>
