<i>Time for discussion</i>	<i>(Agenda Item)</i>	<i>Who is leading discussion on item?</i>
	<p>Advisory – At the meeting it was determined that advisory materials from the district were still not in and that the student’s success on the upcoming SLC’s was very important. The council discussed the need to condense lessons to make them fit into the current advisory schedule.</p> <p>During the discussion it was brought to the committees attention that it might be a good idea to give parents a list of possible questions that they could ask their child during the conf. The committee also recommended that while we are waiting for some materials to come in it would be a good idea to follow last years format for SLC’s. According to the latest information given SLC’s have been moved to October 26th.</p>	
	<p>Workroom – A decision was agreed upon to open the workroom between the times of 7:30 a.m. - 3:30 p.m. Some information given was that numerous copies were being made and at the rate that they were being made would eventually cause hardship on Madison as a whole.</p> <p>Marcie brought an idea to the table in which</p>	

	teachers would be given some emergency passes for copies to be made if a teacher needed them right away. Overall copying at Madison will eventually be entirely done by a workroom employee when the new book/workroom is completely finished.	
	Channel One – This issue was tabled for the next meeting.
