<i>Time for discussion</i>	<i>(Agenda Item)</i>	<i>Who is leading discussion on item?</i>
7:30	<p>Ed 360 presentation – The I.C. discussed how the 360 program could benefit Madison with the use of technology in the classroom. The program would enable Madison to receive support and valuable equipment that can be used with our instruction.</p> <p>We also discussed that because we are in restructuring the district wants to know how we are going to change things here at Madison that will benefit teachers, students, and the community. Marcie explained that the program would be phased in over time and that professional development and support on how to use this type of technology in the classroom would be available.</p> <p>It was brought up in the meeting that Madison also has funds to support teachers for two days of blackboard training for those who want it.</p>	Marcie Johnson
