

Madison Athletics 2011-2012

There are four extramural sports offered at Madison. According to the NM Activities Assoc and APS Athletics all student athletes who want to try out for an extramural sport must have the following:

- A completed APS physical on file with the Madison Athletic Director before the beginning of tryouts. The physical must be dated April 1st or after to be valid for the following school year. A copy of the APS can be found on our website or the APS Athletic web site (apsathletics.edu).
- A grade point of 2.0 with no more than 1 'F' from the previous grading period is also required for all students. ***The exception to this is the 6th graders trying out for VB.*** Official grades will either be checked by the Athletic Director or an official grade check sheet that will be distributed before the beginning of tryouts. Grade checks using the Madison Agenda are done periodically during the season to help the student athlete maintain their grades.
