

**Welcome!**

Your school has subscribed to **NBC Learn**, a premium collection of video resources, primary sources, images, and text resources designed for use in the K-12 classroom.

**Albuquerque Public Schools**

Your Registration Code is:

**IMH3JJ**

This Registration Code enables teachers, administrators, staff and students to create individual accounts to log into **NBC Learn** anytime, anywhere. Follow these easy steps to create your account and start enjoying the thousands of resources available to your school.

**1**

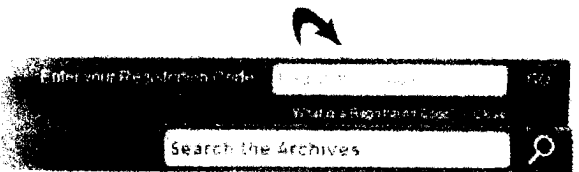

From any internet browser, go to:  
**<http://archives.nbclearn.com/>**

Click on "Register Now" in the upper right corner of the Home Page.

**2**

Enter your school's Registration Code and click on the "Go" button.  
If you have difficulty with this Code, contact your school subscription administrator.

**3**

Fill out the short Registration form with your information, click on the "Register" button, and you're ready to go!

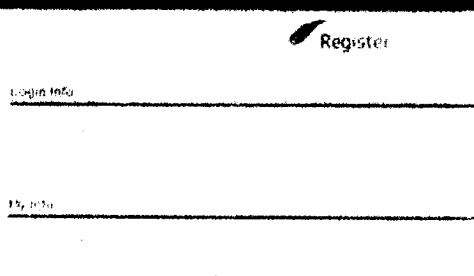

For future visits, you won't need the Registration Code. Simply click on the "Sign In" link at the top of the page and enter the email address and password you selected during Registration.

**If your school provided an email address and password to you...**

You can skip the Registration steps above. Click on the "Sign In" link at the top of the page and enter the email address and password each time you visit **NBC Learn**.

You can change your personal information after you sign in by clicking on the "Settings" link at the top of any page.

Please distribute this Registration information to everyone at your school. With **NBC Learn**, you can create a 21st Century learning experience tailored to your needs, whether you're a teacher, library or technology specialist, or student. **For your security, please do not share the Registration Code with anyone outside of your school.**
