

Welcome to Madison Middle School, we are so glad you are here. Madison has many wonderful volunteer opportunities and ways that parents can get involved in their child's school. The Madison PTO is a growing group of volunteers with the common goal of working together with the staff to better the school for our students.

The Madison PTO does one major fundraiser a year in the fall. The money from the fundraiser goes to support department stipends at Madison allowing the staff to purchase items for teaching that they could otherwise not get.

There are a few other smaller yearlong fundraisers that are done which include box tops, Smith's cards, and other donations made to the PTO through the year. The Madison PTO also sells apparel so that everyone at Madison can show their school spirit. Money from these fundraisers supports school beautification and other necessary needs to make Madison a better place.

In the spring the Madison PTO along with the entire staff put on a wonderful community night. There are lots of games sponsored by each department, food, information for incoming sixth graders and an overall great time to meet new people and experience the "Magic" at Madison.

The PTO at Madison is not all about fundraising; it is about bettering the school for everyone. The office and library always need help. We host "Just Desserts" for students reaching a certain GPA; we help with registration and many events throughout year. The PTO along with all the wonderful families at Madison host three staff appreciation breakfasts, honoring the teachers and all the hard work they do.

A table will be set up on registration day with volunteer forms, Smith's card information, box tops information, our fall fundraiser information, and Madison Magic apparel that you can buy. We look forward to meeting you and personally welcoming you to Madison.
